

Celebrant: Confident in God's love for us, we offer our prayers this day.

- We pray that all leaders in the Church may be truly open to the inspiration of God's Holy Spirit. May they be courageous witnesses to the Resurrection of Jesus. *Lord, hear us.*

- We pray that all believers may be united in heart and mind. May our words and actions always point to the mystery of God's love for all people. *Lord, hear us.*

- On this World Communications Day, let us pray for all of us in our task of handing on the Good News and that we may have the guidance and courage we need to do this. *Lord, hear us.*

- Let us pray for all those who govern our countries and also for our young people, that they may use the internet, especially social media, responsibly and positively. *Lord, hear us.*

- We pray for the rulers and peoples of the Middle East, that the Lord may bring peace to those troubled lands and that we may have the strength to do all we can to aid the cause of peace. *Lord, hear us.*

- We pray for all our young children, that they will have loving examples to help them on their spiritual journey. We pray especially for all those recently baptised, especially Isabella Lynch, Benjamin Roe and Zoe, Jay and Amber Evans. *Lord, hear us.*

- We pray for all who have died recently, including Keiron O'Brien and Mary Croft. May the Lord grant them a place of eternal happiness, light and peace in God's kingdom. *Lord, hear us.*

We ask Our Blessed Lady to help us with our prayers as we say Hail Mary ...
