URGENT APPEAL

DEAR FRIENDS OF CARMEL

Can you help us?

We are currently launching an appeal for help in trying to raise **£100,000** for repairs and renovations to our Monastery and Extern house. Owing to the recent heavy rains, the roofing on the Monastery has suffered greatly. We are faced with enormous bills for repairing and replacing rotten timbers, flat roofs have had to be repaired, and our old, inactive security system needs replacing inside the Enclosure. In addition, the wooden window frames all have to be repainted before the winter, some, even needing to be restored completely.

We would be so very grateful for any help you can give us, no matter how small. Please be assured of our constant prayers for all your intentions. May God bless you.

Deo Gratias Reverend Mother and Sisters
